Welcome to Scott Chiropractic Center

Beginning the Year with a Bang

Congratulations Dr. Dave for the completion of the Chiropractic Neurology Boards!! We are proud to announce that our own Dr. David Futral is a Board Certified Chiropractic Neurologist. He graduated from The Carrick Institute for Graduate Studies, the same Neurology program Dr. Jane completed in 2005.

Our own Dr. Jane and Dr. Dave are the only Board Certified Chiropractic Neurologist in Gwinnett County, only 14 in the State of Georgia, approximately 300 in the country and only 600 in the world!!

Congratulations to both Dr. David and Dr. Jane on all their accomplishments!

Headaches

How much work can you afford to miss due to chronic headaches? Do you think twice before making a social commitment depending on how you feel? How much longer are you willing to suffer in pain needlessly?

One of the most commonly experienced health complaints is headaches. The typical response is to take over the counter headache medications. In many cases, the medications remove the symptoms, but don't give you the lasting relief that you are looking for.

So how does chiropractic help? Chiropractic care offers a safe, proven and effective way to treat headaches naturally. Don't use chiropractic as a last resort when you can get relief NOW! Millions of people have already found total headache relief with chiropractic care. You don't have to suffer any longer!

To find out how to enjoy the game of "Life" without headaches, make your next move and schedule an appointment with our office today. Walk away a winner!
